Staff Chooses Americanism

As 1969 WRANGLER Theme

McCollum High School—the buildings themselves are merely a setting, a background of hopes and dreams for a perfect tomorrow. A tomorrow that only the students of today can create, and only by each contributing all they are capable of can they hope to keep the standards of Americanism high.

In the hands of today's youth lies the responsibility of preserving the American idea which calls for perfect and free individuals. With this thought in mind we, THE WRANGLER STAFF, chose Americanism as our theme.

*To Annie,
a real sweet girl
here's wishing you the
best of luck in the future

Student Body Activities

Loyalty and pride are two elements when combined produce spirit, that one force a person must possess in order to be a part of a country, an organization, or a school.

Displayed in countless ways, school spirit is most evident in the cheers at a football game, in the eyes of students singing the school song, and halls decked with posters. Spirit is unity.

Stimulate School Spirit

Students Gain Knowledge

At play, we have the chance to be ourselves, to go our separate ways and be, if only for a moment, whatever we desire. Here the leaders, who seem to have been born as such, break from the crowd and guide the followers. But the leaders were not born leaders and the followers not born followers. They were shaped by their experiences. At play we have the chance to find that one special niche for which the total of our past experiences has made us perfect.

Students not only gain knowledge in the subjects taught, but also accomplish much through extra-curricular activities. At school we learn the difference between education and ignorance, truth and fallacy, justice and injustice, tolerance and intolerance. Here true Americans emerge.

Through Lively Pastimes

Competition Creates

Well-Rounded Citizen

In our highly industrialized world, both mental and physical competition are great.

Competition is a necessary ingredient required to form a powerful and sturdy individual. The practices, strategies, victories, and defeats all contribute to make stronger people of those participating. Without opposition we would be deprived of one of the natural drives of man; the desire to get ahead. Likewise man's constant thrust to succeed would disappear and extinguish a portion of the principles upon which Americanism is based.

McCollum Students,

It is not intended that education reform students, or amuse them, or make them expert technicians; rather it is intended to broaden their horizons, to teach them to think straight, and to stimulate their intellects.

You, the McCollum Student Body, have gained stature this year. You have done your job superbly well; you have set high standards and lived up to them; you have walked the "second mile" for your school, your faculty, and your administration; thus, you have gained a new dignity.

I am proud to be your principal.

Wm. Patrick Shannon

McCollum High School Principal Patrick Shannon directs Cowboys toward future opportunities

Administrators Provide

Mr. Earl Ott, assistant principal of McCollum, is responsible for all financial records concerning the school, clubs and organizations. He supervises the janitorial staff and facilitates the school building.

Mr. Ott has taught sixteen years in the Harlandale Independent School District. His previous experience before coming to McCollum when the school opened, was teaching bookkeeping and secretarial studies at Harlandale.

Mr. Ott holds the Bachelor of Science from Trinity University and a Master of Education degree from Southwest Texas State College.

Mr. Ernest Hoffman, assistant principal, assumed his position as a McCollum administrator in September 1968. Mr. Hoffman came to McCollum three years ago as a math instructor. He has been employed as a teacher in the Harlandale Independent School District for nine years.

Mr. Hoffman earned his Bachelor of Science and Master of Education degrees at Southwest Texas State College.

In 1967 Mr. Hoffman coached the McCollum Golf Team to win the 16AAAA championship.

As assistant principal, Mr. Hoffman handles student discipline problems. He assumes responsibility for all school sponsored student activities.

Guidance For Students

Mrs. Lucille Deasey is a well known person on the McCollum campus. She has held the position of counselor since McCollum first opened. As counselor, Mrs. Deasey advises students on personal and school problems. She is co-sponsor of the McCollum Chapter of the National Honor Society.

Mrs. Deasey obtained her Bachelor of Science from De Paul University and her Master of Education from Our Lady of the Lake College. She has taught in the Harlandale Independent School District for twenty years.

Mr. Reggie Marthis assumed the position of Boys' Counselor this year on the McCollum faculty. As Boys' Counselor, Mr. Marthis is co-sponsor of the National Honor Society and assists in planning the school's scholastic testing program. He is also sponsor of the Projectionist Club.

Mr. Marthis obtained his Bachelor of Science Degree and Master of Education Degree from Trinity University. He earned his Counselor's Certification from Our Lady of the Lake College.

In 1966 he coached McCollum's baseball team to a second place in district 16AAAA competition. He then left McCollum to become counselor at South San Jr. High and this year returned as Boy's Counselor.

Seniors Honor Teacher

Senior English, an elective for those seniors who want to complete four years of high school English, is a combination of composition and literature. Composition and essay writing draws on the knowledge the student has learned in his study of the English language in the past eleven years. The literature of the senior year is from England. The senior becomes acquainted with the history of the country as well as the literature, from the Anglo-Saxon Period to the twentieth century authors.

Miss Martha Searcy's English III students ponder the fundamentals of MARK TWAIN

Junior English is the last English course that a high school student is required to take. Because it is a terminal English course for many students, it is one of the most important courses in the high school curriculum. The study of composition and grammar is extremely important in the junior year of English.

Sophomore English continues the development of the two basic skills of English, reading and writing. The course impresses upon students the importance of being able to communicate effectively and helps students gain an appreciation of all types of literature. During this second year of English, students are introduced to the writings of William Shakespeare and read their first long novel. English II helps students to gain a better understanding of the technical side of the English language.

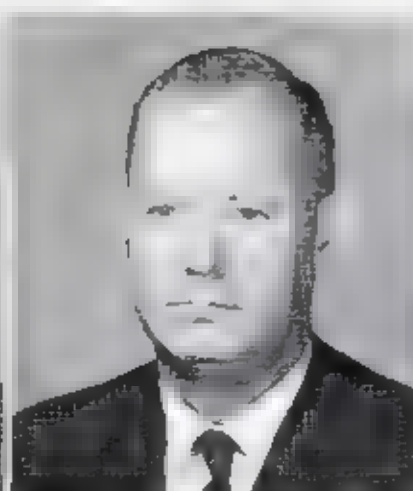

Freshman English emphasizes the mastery of the skills learned during the earlier years of school. Through the use of these skills, the student learns to speak and write more clearly, more maturely, and with more variety.

Social Sciences Edify Pupils

The Social Science Department believes that the study of history enables students to understand the society of the past and thus increase his mastery over the present. World History, American History, Texas History, and Civics will prepare individuals for the future in which these students will be participating.

Chemistry Entails Projects

In the field of science Biology, Chemistry, Physics, and General Physical Science are offered. Biology teaches the student structure of the human body. Chemistry strives to develop an understanding of the elements; their structure and theories. Physics emphasizes the forces of heat and electricity, of sound and light. General Physical Science teaches the fundamentals of electricity.

P.E. Promotes Fitness

McCollum's Girls Physical Education Department is designed to offer girls a more complete physical fitness program.

The program includes both team and individual sports. Activities offered in the department are basketball, baseball, badminton, bowling, rhythmic, speed ball, swimming, table tennis, tennis, track and field, and volleyball. Sport units are concluded by an after school intramural program which involves competition of class teams. The National Physical Fitness Test is also given to classes twice yearly.

Cowboy Corral Cadets, school pep squad, is also considered a part of the physical education department. The girls meet first period every day and receive credit for one unit in phys. ed. per year.

Typing I Teaches Basics

Change and mechanization is the keynote of the future, and the business department of McCollum High School is keeping up with the trends. In this age of key punch, computers, and magnetic tape typing, the basic keyboard for all these machines is taught to Typing I students. In Typing II students broaden the principles of business and personal typing learned in Typing I, and build their speed and proficiency. In one year of shorthand, students achieve a foundation for a skill that will lead them to stenographic positions that are to be important in the future. Bookkeeping contributes to our vocational education and record-keeping contributes to our general education.

Vocational office Education, Vocational Health Occupations, and Homemaking are designed to prepare students for future professional life. Vocational Office Education provides training for the student in the clerical areas of stenography and book-keeping. Individuals with interest and aptitudes for health service occupations may be trained in this area in Vocational Health Occupation courses. Homemaking students learn the art of cooking, sewing, costume designing, and interior decorating.

Sheryl Struss, Melody Berry, Evelyn Fowler, and Dorothy Seidel display techniques learned in V.H.O. classes

Trades Aid Student's Future

Today air conditioning and refrigeration are necessities rather than luxuries in the modern home. McCollum has the course to train boys to install and service these systems. The student is trained in principles of refrigeration compression units, basic electricity and electric motors.

Electronics as a career may be started in McCollum's course in radio and T. V. repair. The course content is planned to develop skills in basic electricity radio fundamentals and related subjects in order to plan, build, test and produce electronic equipment.

Auto Mechanics will prepare that qualified student for entry into a constantly expanding field of work. During this course, the student is trained in the use and care of tools and equipment as well as repair maintenance and service of automotive and similar types of machines.

The age of international relationships in which we are now living calls urgently for language preparation in the educational program of today. The aims of the French Department are to encourage and guide students in gaining not only proficiency in the language, but also an understanding of the people and customs of France.

The Spanish Department has separated Spanish I students into lingual and bilingual groups. The unilingual group will endeavor to acquire the sounds of Spanish; to aim for a basic vocabulary and use it fluently. Spanish II, not divided, is using a combination of group I and II, but in a more advanced stage. Emphasis tends to be more on grammar than audio.

Latin I students study the basis of Latin and grammar, and also study simpler original selections. Latin II students study selections from various Roman writers.

Offices Keep Records

Mrs. Lura Myer has served as McCollum's school registrar and secretary to the principal for the past seven years. Her duties include correspondence concerning students, keeping an accurate account of student registrations, and withdrawals. Mrs. Myer's office also serves as a general center for students and faculty.

Mrs. Ophelia Harp, school librarian, and Mrs. Betty Meyers, secretary, work diligently to process and catalogue books. Their services also include maintaining the schools lending services and assisting students with reference material.

Attendance clerks Mrs. Joan Smith and Mrs. Sandra Fisher are responsible for keeping an accurate account of students absences from school and tardies to class. They also contact parents of students not present to inquire about reasons for their absence.

District Dedicates Stadium

Mr. Calle Smith (left) dedicated the new Memorial Stadium to men from the Harlandale District schools who are fighting and to those who have died defending our country. Memorial Stadium was dedicated at the last football game of the 1968 season. McCollum and Harlandale High Schools will play all home games in the stadium. Dedication ceremonies were held during the half-time show when bands, pep-squads, and R. O. T. C. Units from the sister schools, Harlandale and McCollum, combined in a review of patriotic symbols and songs.

Honor Society Officers

McCollum's Chapter of the National Honor Society is an organization that promotes leadership, encourages and inspires the development of good character, and stimulates a desire to render service.

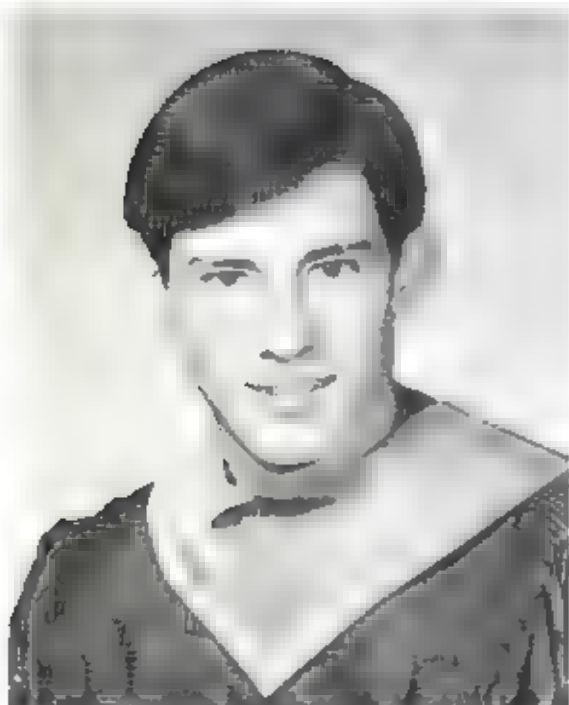

Activities of the club consist of a banquet in May to install newly elected officers and a formal induction of the new junior and senior members held in April.

FTA Emblem

Learning and understanding the teaching profession is the main purpose of FTA. Implanting qualities of good teachers by exploring the student's interests and abilities in relationship to teaching is the aim of FTA. An active interest in teaching and a B-average are the requirements for membership.

Among the many club activities were student teaching in September and May, and the State Convention held in Austin, Texas. Installation of officers by Mrs. L. Deasey was held in the early part of the year. A new point system was introduced this year pertaining to student teaching. FTA holds coffees throughout the year for teachers. The big event is the FTA banquet in May at which the following year's officers are announced.

Sponsor
Mrs. Gladys McCollum

FTA Officers include, (top to bottom) Flora Gonzalez, president, Vicki Lewis, vice-president, Debbie Cuda, treasurer, Suzette Nichols, secretary; Gayle Wright, sgt. at arms; Ronda Cuda, Historian, Patricia McBride, chaplain, founder and sponsor, Mrs. Gladys McCollum.

The Girls Athletic Association members participate in a spirit of competitive sports and physical activities. Sponsored by Mrs. Randi Wayland, the girls practiced fair play and developed good sportsmanship. Club co-sponsors were Miss Barbara Stanley and Miss June Becker.

Activities throughout the year kept the girls busy as fund raising drives included car washes, bottle drives, and a cowboy pin sale. Coffees held in honor of the faculty were also sponsored by the club.

Members helped stage the annual Harlandale-McCollum tournament on February 28-March 1. The club's finale was an annual banquet honoring seniors of the club and recognizing outstanding members with various awards. Also announcement of officers for the next year were made at the banquet.

Parnell Directs Musicians

Mr. John Parnell, director of the Cowboy Band, first became interested in being a band director in the ninth grade. After graduation from high school, with this interest still in mind, Mr. Parnell attended North Texas State University. There he received his Bachelor of Music and his Master's of Education degrees. Mr. Parnell's first job as a band director was in DeQueen, Arkansas where he taught for four years. He then came to McCollum and The Cowboy Band.

Band Council is elected by members of the Cowboy Band to make decisions concerning particular activities, band money raising projects, and social functions. Members of the band council are (bottom row) Sheri Deminger, Sharon York, Annette Martin, James Gore, Stella Reyna, Mary Aguilar, (top row) Tommy Burkholder, Henry Zamora, Susan Clemmons, Mike Miller, and Marshall Myers

Annette Martin Leads Band

For the fifth consecutive year the Cowboy Band of McCollum High School is under the direction of Mr. John Parnell. To get band members in shape, the musicians' year begins in early August with practice sessions every evening and a kick-off swimming party at Patton Heights Swimming Pool. From September to late November the band is seen practicing everyday in preparation for the football half-time show.

On November 13 the band participated in the University Interscholastic League Marching Contest held at North East Stadium. The group received a first division rating for the half-time show they presented and a first division for inspection. Each year the band enters the U.I.L. Solo and Ensemble Contest.

Major event of the year was participation in the "Greatest Bands In Dixie" held in New Orleans during Mardi Gras. Band members started working in early December to raise money for this trip. In preparation they were seen once again marching around the school to get in shape for the big parade. February 16 the Cowboy Band marched proudly down Canal Street in New Orleans, knowing they were the only band to participate in the parade from Texas. There were twenty bands participating in the contest parade and the Cowboy Band came home with ninth place.

Drum Major Annette Martin's activities in the Cowboy Band are varied. During football season Annette helps Mr. Parnell with the weekly half-time shows to be presented at the McCollum football games. In November she leads the band in the U.I.L. Marching Contest. During Fiesta Week Annette helps prepare the band for the Battle of the Bands and The Battle of the Flowers Parade.

Twirlers Place First

Twirlers with the 1968-69 Cowboy Band are Lynda Schumcek, Head Majorette (top), Suzanne Gabitsch, Sandra Slack, and Pat Hargrove. Work for these girls began in early July when they attended Twirling Camp at Texas Lutheran College in Seguin, Texas. For the past two years this team brought home a first place in their ensemble at the University Interscholastic League Twirling Competition. Cowboy twirlers were invited to perform at Lackland Air Force Base and were also featured at one of the Toro football games with the McCollum Band.

Stage Band Entertains

McCollum's Stage Band is a group of musicians selected by Mr. John Parnell at the beginning of the school year. The group practices three times a week, on arrangements of jazz and dance music. Janet Holt plays a saxophone solo at Stage Band concert. (right)

Vocational Club Promotes

Mr. Smith, sponsor of air-conditioning and refrigeration, instructs Marshall Myers, president, in vocational training.

Air-Conditioning and refrigeration, taught by Mr. Allen Smith, is a three hour vocational course. This course familiarizes students with the mechanics of refrigerating and air-conditioning units. Students gain practical experience by repairing refrigerators and air-conditioners for the school as well as units belonging to private individuals.

Purpose of the print shop is to promote higher standards in trade practices, workmanship, and safety. The club helps to inform the general public of the work being done by the members of the club as vocational students. Shop members print programs and tickets for various school clubs in the Harlandale District. Boys also print school and administration business forms. This experience develops in the students ability to plan and to organize worthy activities. During the year the club participates in district and state meets as delegates and contestants.

Student Council Officers

Student Council Officers of the year 1969 are, L-R (top to bottom) John Kelly, historian, Bobby Thomas, treasurer, Dee Anne McDonald, historian; Martha Ashley, vice-president, Valerie Weynand, secretary, Tommie Mathews, reporter, Teresa Gonzales, president, Lynda Allen, parliamentarian; Gloria Hernandez, chaplain

Purposes of the McCollum High School Student Council are to improve student morale and student-faculty relationship. The Council is the student's opportunity to voice his opinion concerning activities of his school.

The organization consists of representatives elected from each class. All members must maintain a "C+" average or better.

Sponsor
Mr. Blodgett

This year the Council was represented by delegates at the Alamo Association of Student Council's Convention and Texas Association of Student Council's Convention held in Amarillo.

Sponsored by Mr. Jim Blodgett, the club is active throughout the year. Their projects include organizing and presenting assemblies, publishing and selling student directories, and being a participant in TAP.

The Council also participated in the rodeo parade and added to the school spirit.

The McCollum Cowboys lost the first game of the year in a driving rainstorm to Alamo Heights at new Memorial Stadium. Both teams were bothered by the messy field conditions but the Mules managed to pull out a 14-6 victory. The following week John Marshall's Rams fell victims to a massive Cowboy defense led by All District selection Sam Brown as the Cowpokes blanked Marshall 18-0 to even their record at 1-1. Brown recovered a fumble and intercepted a pass and was considered the key defensive player in the game.

Austin Lanier received the same treatment the Marshall Rams received the week before as the Cowpokes dropped the Vikings 20-0. Lee Buckelew scored first and then a 27 yard pass from Bruce Vettters to fleet-footed Gary Miller gave McCollum a 13-0 lead before Mark Dossett scored from three yards out. Defensive standouts in the game for the Cowboys were Mike Aduddell, Lee Buckelew, and Sam Brown. The victory pushed McCollum's record to 2-1 for the season. The Lanier score could have been worse but the Cowpokes had two touchdowns called back.

Games; One Falls Short

Faces were long and saddened as Cowboys look on as the Seguin Matadors end a brief two game winning streak.

Seguin's mighty Matadors ended McCollum's winning streak with a 26-6 victory after leading the Cowboys only 13-6 at halftime. In the second half the Matadors turned Cleveland Vann loose and kept the Cowpokes from scoring. The lone Cowboy tally came in the second quarter as Gilbert Ramirez scored the touchdown that tied the game for a short time. The following week McCollum came roaring back with a 32-6 bout with Central Catholic's Buttons. Leading 19-0 at halftime, the Cowboy's defense finally yielded a touchdown but halfback Gary Miller took a kickoff, fumbled the ball, recovered, and scampered 78 yards for a touchdown and a 32-6 victory.

McCollum opened District 29-AAAA play with a hard fought 18-6 win over the stubborn South San Antonio Bobcats. The Bobcats grabbed an early 3-0 lead before senior tailback Mike Aduddell scored the first of his two touchdowns. In the third quarter South San tied the score but Aduddell then scored his second touchdown giving McCollum a 12-6 lead. Minutes later, speedster Gary Miller came off the bench cold and put the game on ice with a 54 yard scoring run. Aduddell was the leading rusher with 203 yards rushing on 39 carries.

The Cowpokes continued their winning ways by bouncing the Golden Bears of Edison 34-7 after spotting the Bears a 7-6 halftime lead. McCollum scored the go ahead touchdown on the first play of the second half as Mike Aduddell rambled 73 yards for the score. Lee Buckelew scored two touchdowns and Tony Capps and Dale Skinner also crossed the goal line before the game finally ended. The Cowboys held Edison to 104 yards total offense while Buckelew, Capps, and Aduddell rolled up a total of 376 yards.

Cowboys Produce Impressive

High hopes of a district championship were shattered quickly as Sam Houston and its fired up defense rapped the Cowpokes 27-0. It was McCollum's first district loss while Sam Houston remained undefeated. A goal line stand by the Cherokee defense from inside the one yard line kept the Cowboys off the scoreboard as they trailed at the halfway mark 14-0. In the second half, the Cherokees picked up more momentum as they scored twice more off a sagging Cowboy defense. Sam Houston rolled up 315 yards total yards on offense while yielding 175 yards to McCollum. The Sam Houston game was the first game in which the Cowboys failed to get on the scoreboard.

The Roosevelt Rough Riders continued where Sam Houston left off and upset the Cowboys 22-14. Two blocked punts proved very costly for the Cowboys as they resulted in 9 points for the Riders. Trailing 9-6 at halftime the Cowboys came roaring back and pulled to within two points of the Rough Riders. Leading 16-14, Roosevelt broke through for another score in the final period. Mike Aduddell was the leading ground gainer with 110 yards rushing and one touchdown. Fullback Lee Buckelew tallied the other touchdown, but it wasn't enough to prevent the upset win by Roosevelt.

Contact was plentiful when the Indians met the Cowboys in the season final. Mike Aduddell finds this fact true.

After dropping two straight games, McCollum closed out the season on a happy note by pouncing their arch-rival Harlandale 35-0 in a hard hitting tilt at Memorial Stadium. Following the dedication ceremonies of the new stadium, the Cowboys rolled up a 21-0 half-time lead and then scored twice again before the final buzzer. Place-kicker Gilbert Ramirez, kicked 5 straight extra points and the Cowboy defense blocked two punts. Both resulted in touchdowns.

The 1968-69 edition of the McCol-lum basketballers struggled through a disappointing season as they finished with a mere 6-14 record and a 2-6 mark in district play. Both district wins came over Harlandale as there were few bright moments during the season. But Coach Dennis Smith will have some returning lettermen to give him a good foundation to work with. Back next year will be back court man Mike Miller and 6'7" post Steve Weems who should do some scoring. Also returning will be Keith Sidenberger, Robert Giddings, and Danny Ortiz. Along with the B-team graduates, the Cowboys appear to be in good shape.

Cowboys Lose District

McCollum's baseball team lost their big chance to win the district title to Sam Houston 5-1. The Cowboys led the district most of the season and finished with a 5-3 district record and a 14-8 record for the year. The Cowpokes started the district season with a 3-0 win over South San and then beat Edison before the Cherokees handed them their first setback. They then came back to beat Harlandale 4-1, then lost a big game to South San. After the second district loss, McCollum beat the Indians again 9-0 and Edison 4-1 before the big showdown came with Sam Houston.

Gary McCulloch, senior first baseman.

Outfielder Frank Mayo rounds third base and glances home in a game against South San Antonio. McCollum won the first game 3-0, and South San the next one 2-1.

Title To Sam Houston

Jimmy Shuler, senior pitcher.

Bruce Vettors, junior pitcher.

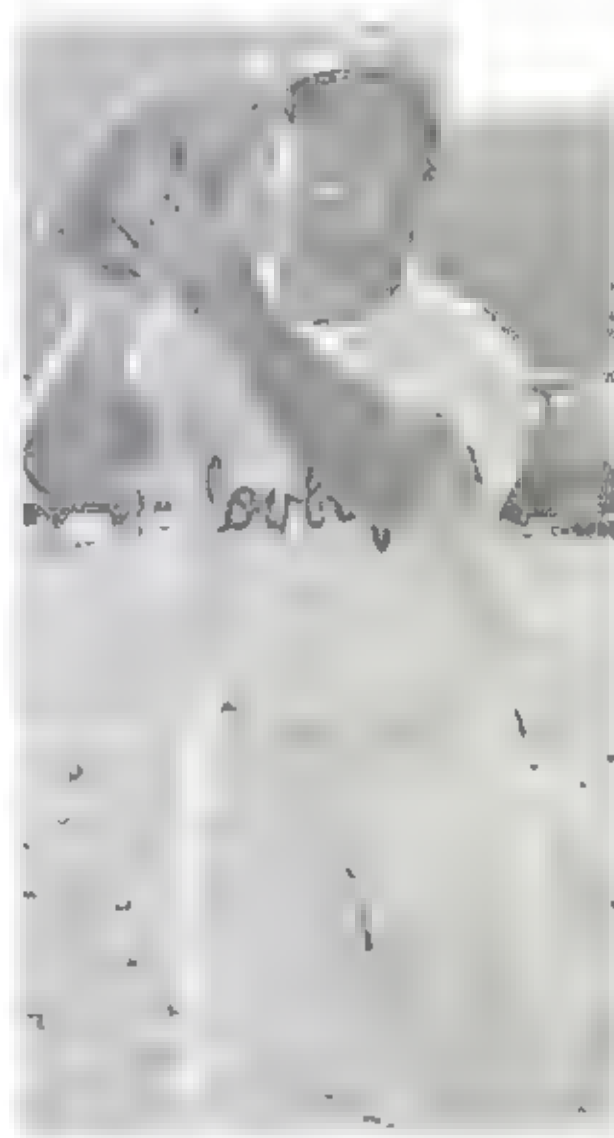

In the big game of the year with Sam Houston, McCollum took an early 1-0 lead in the first inning. But the Cherokees came right back in the bottom half of the first to jump out in front 2-1. The score remained 2-1 until Sam Houston scored 2 more runs in the third inning and a single run in the fourth. Big Leroy Thomas held the Cowboys in check with a three hitter while Bruce Divin and Jimmy Shuler gave the Cherokees seven hits. Senior Randy Lockwood, who set five different records this season, got two of the Cowpokes three hits. Lockwood set these records: most stolen bases in a game, most stolen bases in a three year career, most hits in a season, highest batting average in district play (.563) highest average in a season (.406).

Dugout Discussions Center

McCollum baseball players sit in the dugout between innings and discuss the game at hand. District championship was another topic discussed in the dugout.

Sophomore second baseman Todd Williamson goes all the way around on an outside pitch and loses his helmet in the process.

On Baseball District Title

Junior outfielder Larry Price appears to be doing a little dance in attempting to avoid being hit by the ball.

Senior Jimmy Shuler shows the proper method of stretching for the ball at first base. Shuler saw action as both a first baseman and pitcher.

Track Team Brings Home

Gary Miller, Lee Buckelew, Randy Lockwood, and Mike Aduddell make up McCollum's 440-yard relay team which finished third in the District Meet.

Reynaldo Morin is half-miler who went to the state meet

Pole vaulter Gary Miller won district in his event.

Gary Ruston also got a trip to Corpus Christi by winning district in the discus competition.

Honors In District Meet

Senior Douglas Gregory was another of the seven Cowboys who won a right to compete in regional competition by placing second in the long jump event.

Lee Buckelew, McCollum's high hurdles specialist, won his event in the District Meet held at Alamo Stadium.

Sam Pack placed second to Ruston in the discus.

Half-Miler Morin Performs

Coach John Gray and his track squad finished a very strong second in District 29-AAAA track meet and at the same time placed seven tracksters in the Regional Meet held in Corpus Christi. The Cowboys finished behind Sam Houston who had a total of 149 points while McCollum ran up 129 points. The district title race was so close that it wasn't decided until the final events had been completed. And so what had been forecast as an easy title for the Cherokees turned out to be quite a scramble. Finishing behind the Cowboys were Harlandale, Edison, and South San in that order.

Senior Gary Miller clears the bar and wins the pole vault event at the District Meet held at Alamo Stadium.

Coach John Gray learns that his responsibility as a qualified trainer is just as important as that as track mentor. A healthy athlete is a necessity.

Steadiest During Season

All-District and Regional half-miler Reynaldo Morin

Coach Gray feels his most steady performer of the season was half-miler Reynaldo Morin. Morin won the half mile in district and went on to gain a berth in the state meet in Austin by winning regional over favored Evaristo Salinas of Brackenridge. Reynaldo came back the very next week and won the 880 at the Little State Meet by ten yards. But at the state meet in Austin, the competition was just too fast and Morin finished a distant seventh. At Austin, Reynaldo was up against boys who had run the 880 in 151:7 and 152:1. Morin's best time was a 157:2 and he recorded that in the Mules Relays.

Long-Awaited Jackets Come

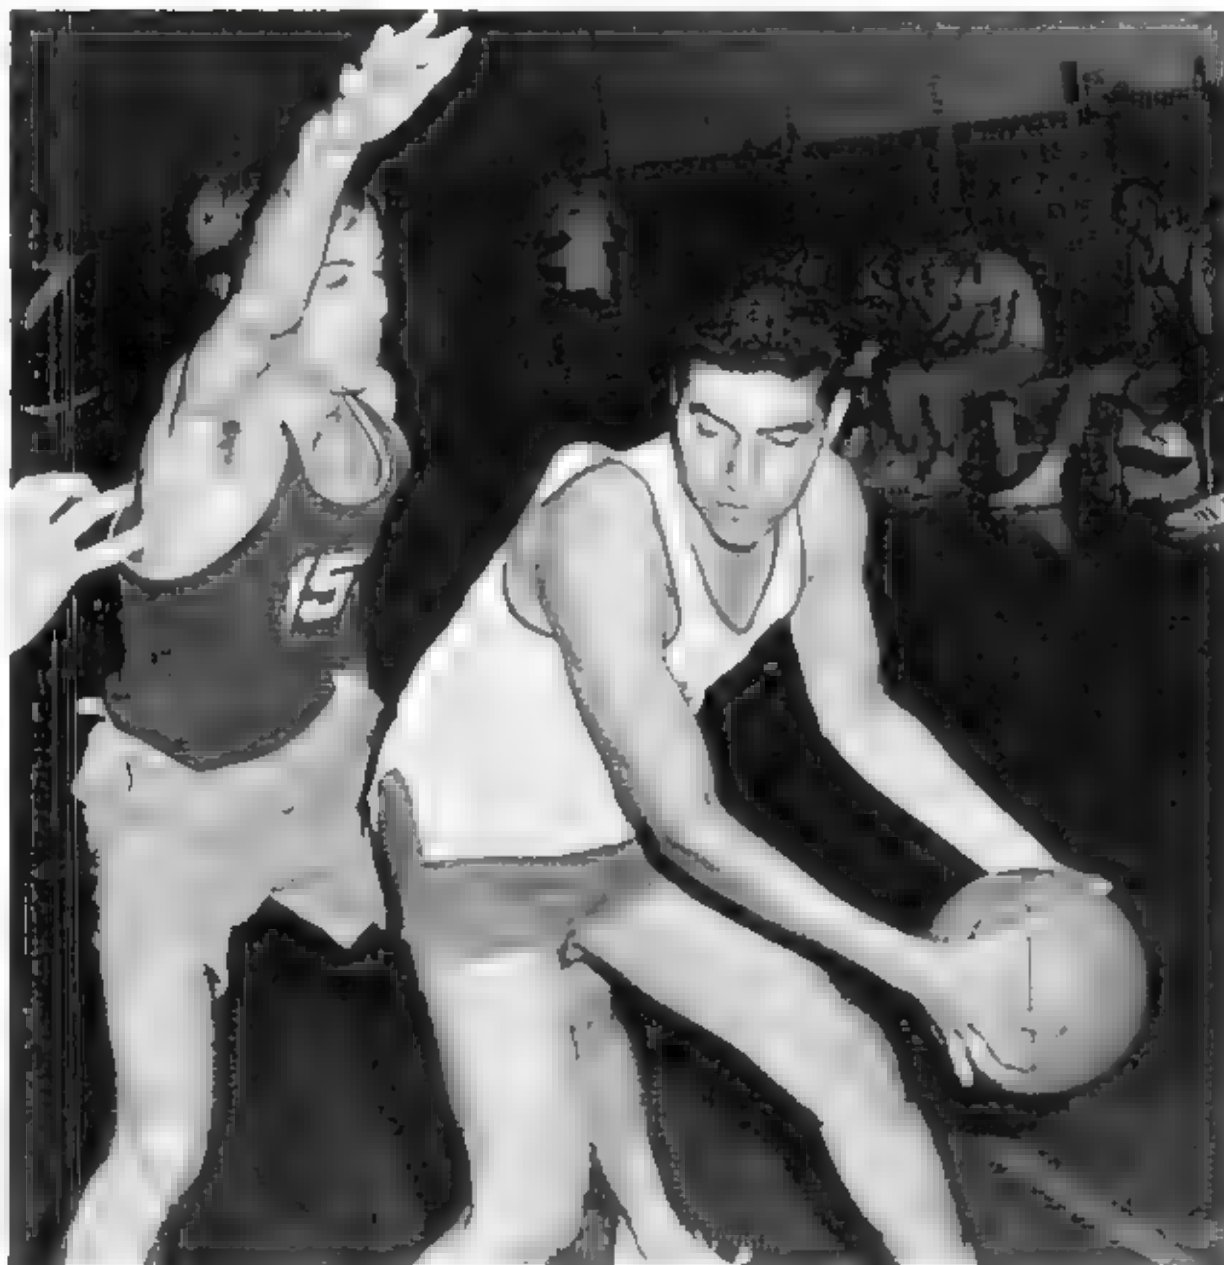

Outstanding football players begin working to earn football letters when they are accepted as varsity players. Being a member of the team means hard work and sweat, which rewardingly pays off when jackets and awards are presented.

At a special pep-rally, Coach Bill Dumus assisted by Coach Joe Collins and Coach Don Yarbrough distribute football jackets

Three-year letterman Gilbert Ramirez proudly accepts his football jacket from Coach Dumus.

Faculty Shows Prowess

Each year the Projectionists Club has a money making project to help club funds. This year McCollum's male faculty gave an exhibition of their skills in basketball. The two teams were named Bostwick's Bullets and Blodgett's Artists.

Mr. Burmester blocks an attempt to shoot a basket by Mr. Reyna. Sergeant Major Bostwick leaps high into the air to guard the throw of Coach Smith

Fresh Air Inspires Classes

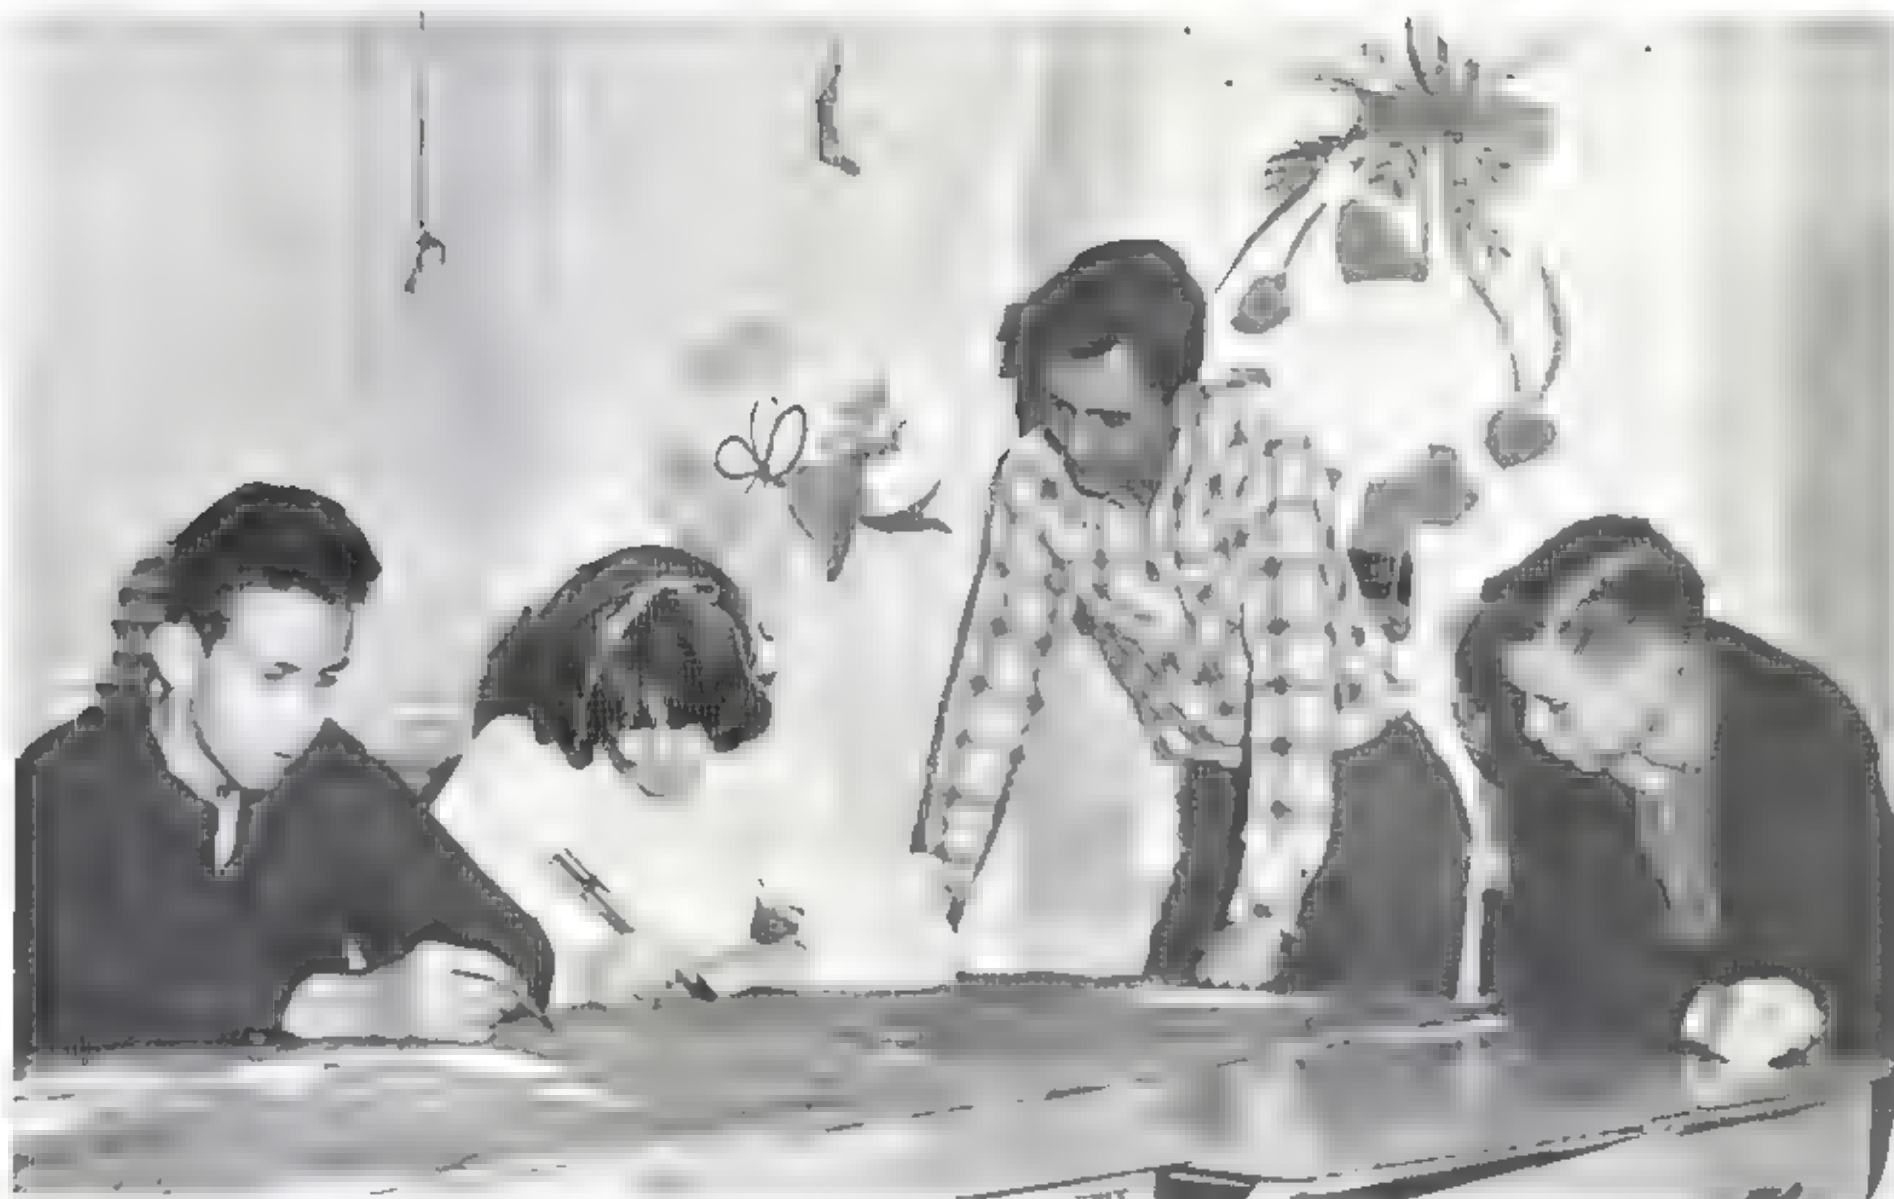

Dee Anne McDonald is given a helping hand by Tim Connally in flying her kite. Dee Anne designed and built her kite, the Flying Nun, in Art Class. To receive a grade for the project the students were required to prove their skill at functional design by orbiting the high flyers during class.

Tommy Ragsdale concentrates on a drawing for Art Class. This project stressed the creative influence the great "out of doors" has on an artist.

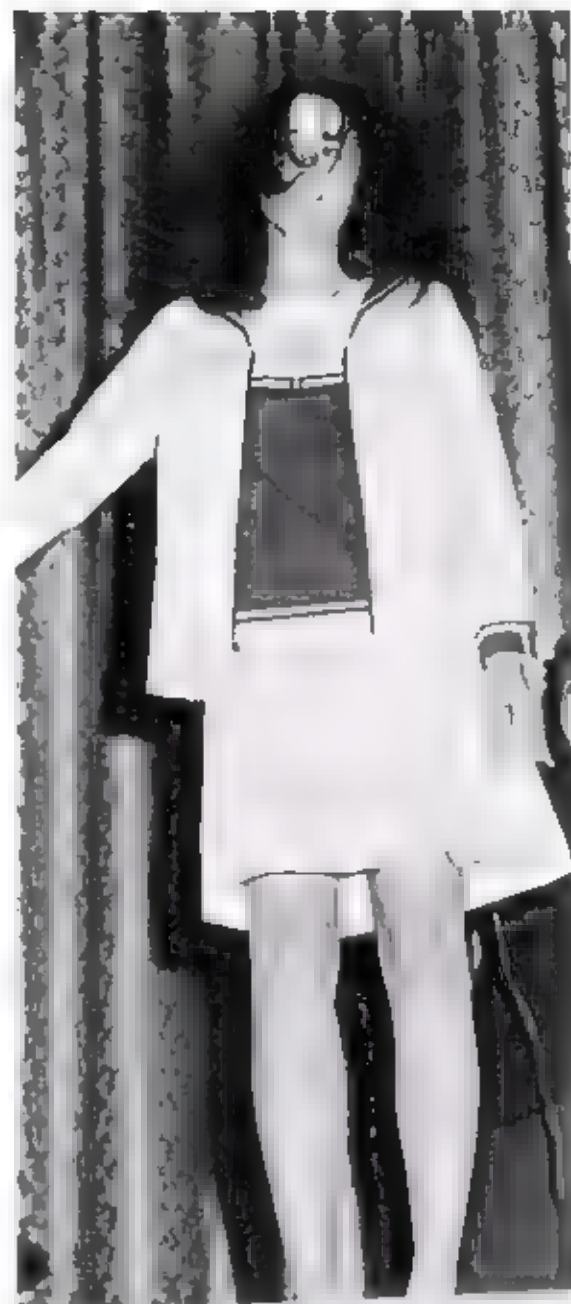

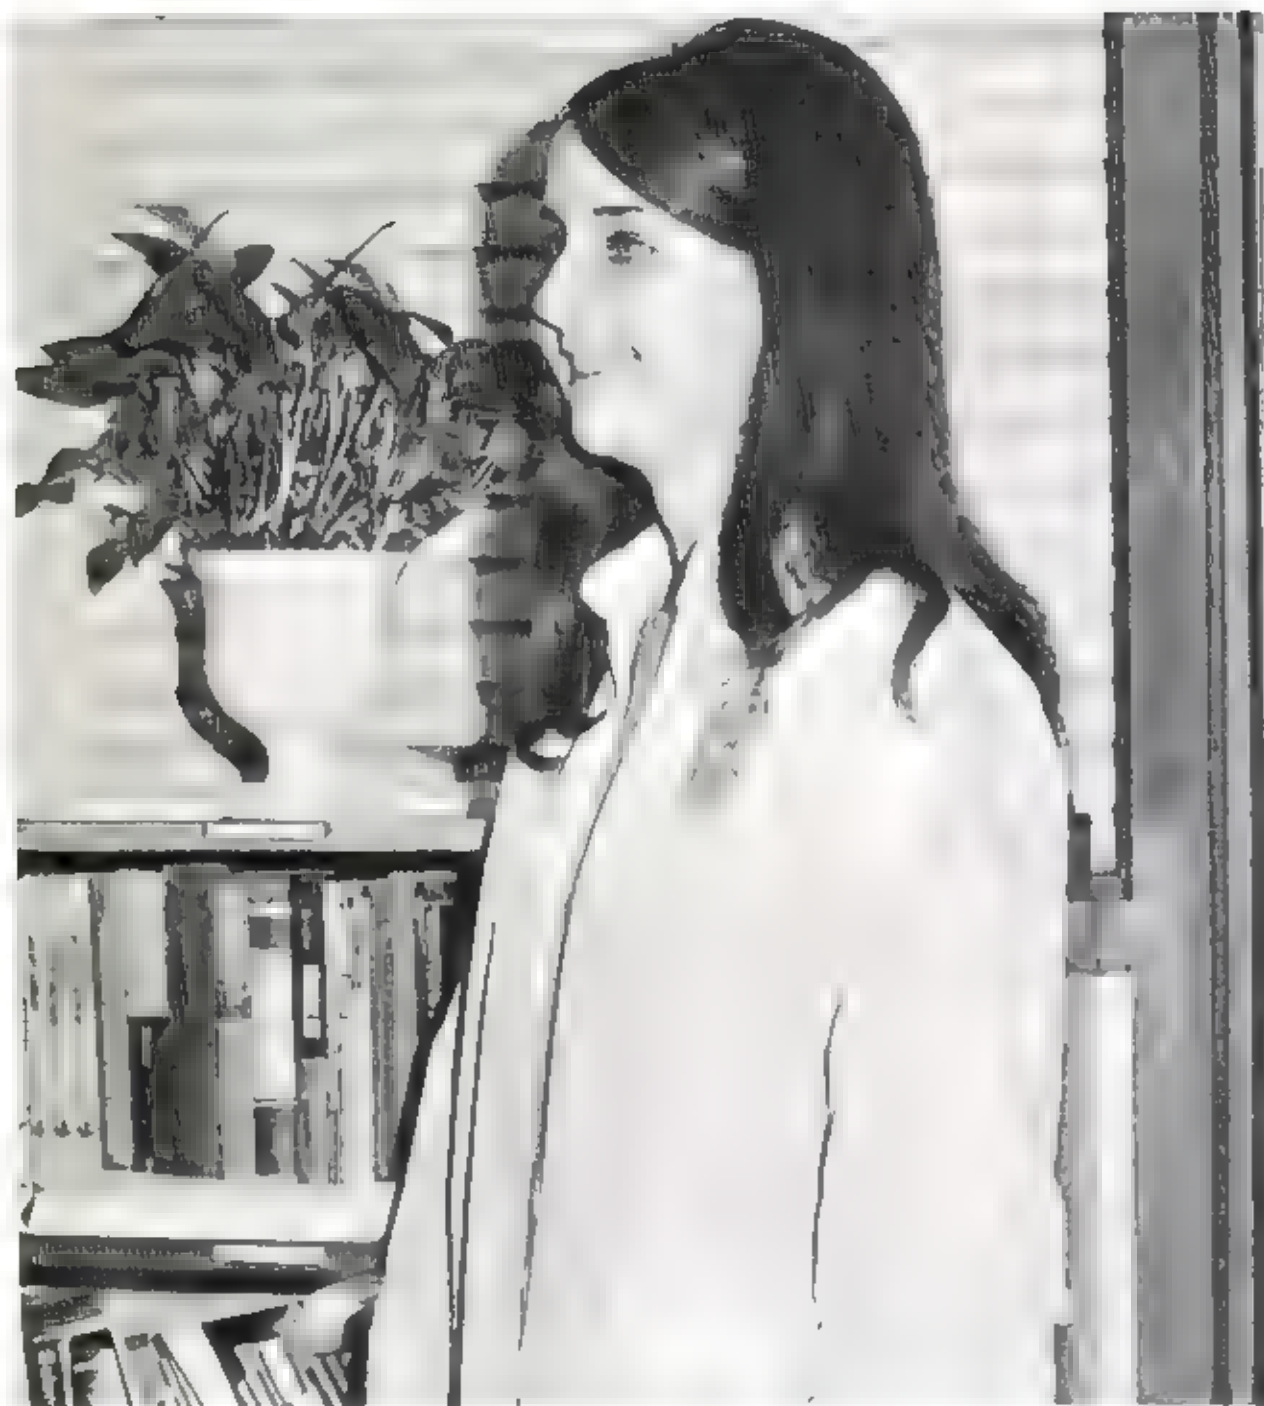

Art Students Create Designs

Art II students Paul Calloway, Shirley Clay, Gary Kruse and Vincent Cardoshinsky work diligently in class on the Art Christmas Project. Students were assigned doors on campus to decorate. The decoration must be original and reflect the true Cowboy Christmas spirit.

Bobby Baily, art student, works on a Pen and Ink composition for his portfolio entitled "Our Time".

At the spring band concert Mr. John Parnell awards Stella Reyna with the John Philip Sousa Award. Sheri Deininger presents the newly elected officers

James Gore presents Mrs. John Parnell with a dozen red roses in recognition of the band's appreciation. Sharon York presents position of secretary-treasurer.

'Senior Only' Days Begin

Towards the end of the school year, there are activities which might be labeled "for seniors only". April 29th was the day for seniors to receive graduation invitations which meant the "Big Day" was just around the corner.

Damone Bonner, Lynda Allen, and Armando Anaya receive the long-awaited senior invitations.

Mary Holden is given change from Mr. Ray Armstrong after receiving her graduation invitations.

With Invitations, Picnic

May 7th seniors went to Brackenridge Park for their annual senior picnic. Seniors participated in paddle boat riding, playing baseball, visiting the zoo, train riding, and many other activities while at the park.

Kenny Herring, wearing his big sombrero, was not likely to get sunburned while on the senior picnic.

THE FIRST 100 YEARS...

...have been years of challenge and growth for Trinity University. Now the University in the Sun enters its second century... offering students the uncommon beauty of the newly completed Skyline Campus, with 42 modern buildings on picturesque Trinity Hill.

A legacy of concern for the development of the individual student... is a cohesive part of Trinity's atmosphere of intellectual excitement.

Find out about the new Trinity Plan. Write to the Director of Admissions, Trinity University, 715 Stadium, San Antonio, Texas 78212.
